Travel Guard Personal Alarm With PIR Sensor & Flashlight

Art. No.: SC0209

The Travel Guard Portable Alarm with PIR Sensor and LED flashlight is perfect as a mobile personal alarm .

Simply pull on the metal tab to activate the motion alarm; you can set it in any area where you want to detect motion.

Features:

- » Built-in motion sensor PIR Alarm
- » A horizontal detection area of 30° and a detection distance of three meters
- » Perfect for use as a convenient Personal Alarm
- » LED light function
- » Fast activation by pulling the metal pin cord
- » Alarm siren sounds at 120dB
- » Ideal for students, travellers, employees, hotel visitors and victims of domestic violence
- » Constructed of durable ABS plastic
- » Dimension: 65mm x 47mm x 23mm
- » Included 3 x LR44 button cells

Battery Installation:

Remove the cover of the battery case on the rear side. Insert three AG13 (LR44) (each 1.5 V/CD) button cells into the battery case according to the correct polarity.

Personal Alarm:

To trigger the alarm, simply pull the alarm cord. To stop the alarm, push the pin back in.
